Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the **Contra Costa County Mobility for All Project** in surface transportation reauthorization legislation.

The project sponsor for this project is the **Contra Costa County Public Works Department** and the project is located at N. Richmond and Bay Point, California.

The funding is designated for the upgrade of curb ramps to comply with Americans with Disabilities Act (ADA) standards in the disadvantaged communities within Contra Costa County, California.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: increase sidewalk ramp accessibility to individuals with disabilities; enhance pedestrian mobility; and demonstration of social equity through prioritization of improvements in disadvantaged communities.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mark DeSaulnier  
Member of Congress
