The Honorable Kay Granger  
Ranking Member

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **Collaborative Care Implementation Project** in Fiscal Year 2022.

The entity to receive funding for this project is the **Contra Costa Regional Medical Center and Health Clinics** located at 2500 Alhambra Avenue, Martinez, California 94553.

The funding would be used to implement a standardized treatment model across 11 Federally Qualified Health Clinics (FQHCs) within the Contra Costa Regional Medical Center and Health Centers (CCRMC-HC) system, build an Electronic Health Record (EHR) to support coordination of care, and support education and training for County behavioral health staff. CCRMC-HC supports the most vulnerable and low-income population in the County, including a high number of homeless and immigrant residents and others who traditionally have a high prevalence of mental health and co-occurring conditions.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mark DeSaulnier  
Member of Congress
