The Honorable Kay Granger

Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **Contra Costa Crisis Services Hub Project** in Fiscal Year 2022.

The entity to receive funding for this project is the **Contra Costa County Health Services Department – Behavioral Health Division** located at 1340 Arnold Drive, Suite 200, Martinez, California 94553.

The funding would be used to renovate a County-owned facility to establish the Contra Costa Crisis Hub, which would consolidate and expand access to integrated mental health and substance use treatment services to best address the needs of County residents. Its goal is to divert clients from costly services such as psychiatric emergency services and emergency department services; provide a new level of care for those seeking substance use services; and provide and expand a system of crisis support less dependent on law enforcement.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mark DeSaulnier
Member of Congress
