Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **Educational Internet Access Project** in Fiscal Year 2022.

The entity to receive funding for this project is the **Contra Costa County Office of Education** located at 77 Santa Barbara Road, Pleasant Hill, California 94523.

The funding would be used to rebuild and enhance internet and firewall services required to provide internet connectivity to eighteen school districts in Contra Costa County supporting 24,000 educators, 172,000 students, and their families. The additional capacity would benefit teachers and students in the classroom by supporting an increased need for more bandwidth and faster internet for hybrid learning and online study.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mark DeSaulnier
Member of Congress
