Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **Pittsburg Center Smart City Pilot** in Fiscal Year 2022.

The entity to receive funding for this project is the **City of Pittsburg** located at 65 Civic Drive, Pittsburg, California 94565.

The funding would be used to implement Smart City technologies by outfitting the ¼ mile transportation grid surrounding the Pittsburg Center BART station with connected technologies such as adaptive street lights, connected traffic signals, and digital and static wayfinding signage. These upgrades will help encourage transit use, encourage walking and bicycling by creating safer and more complete streets, alleviate traffic, and attract local business.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mark DeSaulnier
Member of Congress
