The Honorable Sam Graves

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the **Camino Pablo Pathway Rehabilitation Project** in surface transportation reauthorization legislation.

The project sponsor for this project is the **City of Orinda** and the project is located at Camino Pablo, City of Orinda, California, 94563.

The funding is designated for rehabilitating the Camino Pablo Trail.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: reduce congestion on Camino Pablo, an arterial that connects a large portion of Orinda; enable more cyclists and pedestrians to utilize the separated pathway, thereby enhancing safety; and reduce congestion as people use alternative modes of transportation.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mark DeSaulnier  
Member of Congress
