The Honorable Sam Graves  
Ranking Member  
Committee on Transportation & Infrastructure  
2165 Rayburn House Office Building

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the **El Cerrito del Norte Area TOD Complete Streets Improvements Project** in surface transportation reauthorization legislation.

The project sponsor for this project is the **City of El Cerrito** and the project is located at Cutting Boulevard., Eastshore Boulevard., Hill Street, and Knott Avenue, El Cerrito, California.

The funding is designated for implementing multimodal transportation improvements to catalyze transit-oriented development in the El Cerrito del Norte area.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: improved access, circulation, safety, and streetscape elements for bikes, pedestrians, regional bus, rapid bus, and automobile connections to the regional transit hub, and reduced greenhouse gas emissions as a result of increased use of alternative modes of transportation.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mark DeSaulnier  
Member of Congress
