The Honorable Sam Graves
Ranking Member
Committee on Transportation & Infrastructure
2165 Rayburn House Office Building
Washington, D.C. 20515

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the **Highway 24 LaMorinda Smart Signal System Project** in surface transportation reauthorization legislation.

The project sponsor for this project is the **Contra Costa Transportation Authority** and the project is located in Orinda and Lafayette, California.

The funding is designated for providing infrastructure for a regionwide traffic management system.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: improve access and circulation through routes of regional significance and arterials; reduce congestion and greenhouse gas emissions; reduce delay and travel times for transit vehicles; reduce accidents; and improve cross-jurisdictional traffic management.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mark DeSaulnier
Member of Congress
