Other Recent Tax Changes

- In the 2017 Republican tax bill, the State and Local Tax (SALT) deduction was eliminated, causing frustration in high cost of living areas like the Bay Area.
  - I sponsor several efforts in Congress to restore tax fairness by reinstating the SALT deduction and am working with my Democratic colleagues in Congress to make that a reality.

- In contrast, the American Rescue Plan Act made a number of changes to the Child Tax Credit (CTC) that experts believe will cut child poverty in half:
  - Making the CTC fully refundable and increasing the full amount from $2,000 per child to $3,000 per child.
  - Allowing for advance payments of the CTC.
Last month, the IRS extended the individual tax filing deadline to May 17, 2021.

Due to new federal grant and loan programs, Economic Impact Payments, unemployment insurance, loss of health care coverage, and other family changes due to the pandemic, taxes changes may impact you and that is why we have invited the IRS to answer your questions.
