Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the East Cypress Road Phase 3 Project in Fiscal Year 2025. The entity to receive funding for this project is the City of Oakley, located at 3231 Main Street, Oakley, California 94561.

The funding would be used for constructing essential roadway and emergency route improvements along East Cypress Road between Jersey Island Road and Bethel Island Road, including utility undergrounding, roadway widening, and sidewalk/bike lane improvements. The project is an appropriate use of taxpayer funds because it will upgrade an important emergency route to meet increasing traffic demand and ensure safety, accessibility, and mobility for daily travel and in the event of an emergency.

The project has a Federal nexus because the funding provided is for the purposes authorized by 23 USC 133(b)(8).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark DeSaulnier
Member of Congress
