Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Tice Field Extended Use and Increased Safety Project in Fiscal Year 2025. The entity to receive funding for this project is the City of Walnut Creek, located at 1666 North Main Street, Walnut Creek, California 94596.

The funding would be used for installing lights at a sports field, as well as making safety upgrades for restroom and parking lot facilities. The project is an appropriate use of taxpayer funds because it would ensure safe access during all operating hours for children, their families, and community organizations.

The project has a Federal nexus because the funding provided is for the purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark DeSaulnier
Member of Congress
