The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Enrico Cinquini Park Construction Project in Fiscal Year 2024. The entity to receive funding for this project is the City of Oakley, located at 3231 Main Street in Oakley, California 94561. The funding would be used to construct Enrico Cinquini Park, which will be located at the northwest corner of the Rose Avenue/Carpenter Road intersection, and will feature a natural turf field, enhanced landscaping, irrigation, restrooms, and an enhanced playground for various ages and abilities. The project is an appropriate use of taxpayer funds because it will provide community benefits and provide open space amenities to Oakley's growing number of residents.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark DeSaulnier
Member of Congress
