The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Ygnacio Valley Road Rehabilitation from Oak Grove Road to City Limits Project in Fiscal Year 2024. The entity to receive funding for this project is the City of Walnut Creek, located at 1666 North Main Street in Walnut Creek, California 94596. The funding would be used to repave the roadway between Oak Grove Road and City Limits, and implement traffic safety improvements to maintain the roadway pavement and improve overall traffic safety. The project is an appropriate use of taxpayer funds because it will improve a main regional route, which includes evacuation routes and roads that connect to medical centers and regional transportation.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark DeSaulnier
Member of Congress
