The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Concord Shelter and Service Center Roofing Project in Fiscal Year 2024. The entity to receive funding for this project is Contra Costa Health Services, located at 2400 Bisso Lane Suite D, Second Floor in Concord, California 94520. The funding would be used to replace the roof and skylights at the homeless shelter facility after they were recently impacted by extreme weather events to ensure safe living conditions for program participants. The project is an appropriate use of taxpayer funds because it will allow the County's emergency sheltering programs to continue to operate and serve individuals without stable housing.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark DeSaulnier
Member of Congress
