Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the East Bay Regional Communications System - Mobile Communications Sites on Wheels Project in Fiscal Year 2027. The entity to receive funding for this project is the County of Contra Costa, located at 1025 Escobar Street, Martinez, California 94553.

The funding would be used for building two mobile communications sites to be used to enhance the resiliency of first responder radio communications in the event of a disaster. The project is an appropriate use of taxpayer funds because it will strengthen first responders' ability to respond quickly in an area that is prone to earthquakes, wildfires, and other disasters.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark DeSaulnier
