The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the South of Bailey Road - Community Development Project Phase 2 in Fiscal Year 2027. The entity to receive funding for this project is the East Bay Regional Park District, located at 2950 Peralta Oaks Court, Oakland, California 94605.

The funding would be used for the second phase of a project opening the Thurgood Marshall Regional Park, which entails constructing a bus staging and drop-off area designed to accommodate regional transit and other passengers, and replace aging rail infrastructure with accessible, multi-use pathways. The project is an appropriate use of taxpayer funds because it is part of a larger project to redevelop a former military base to provide economic development and public access opportunities.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark DeSaulnier
Member of Congress
