Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Iron Horse Trail Double Tracking Project in Fiscal Year 2027. The entity to receive funding for this project is the County of Contra Costa, located at 1025 Escobar Street, Martinez, California 94553.

The funding would be used for constructing separated wheeled and pedestrian pathways along the Iron Horse Corridor from Bollinger Canyon Road to Crow Canyon Road in the City of San Ramon. The project is an appropriate use of taxpayer funds because it would minimize risks and improve pedestrian and rider safety in a popular corridor that connects high-density housing areas currently under development with nearby downtown commercial areas, as well as local parks and schools.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark DeSaulnier
Member of Congress
