Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sunflower Hill 949 Moraga Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Lafayette, located at 3675 Mt. Diablo Boulevard, Suite 210, Lafayette, California 94549.

The funding would be used for constructing a 48-unit development of supportive and affordable housing for individuals with intellectual and developmental disabilities. The project is an appropriate use of taxpayer funds because it would create new affordable housing opportunities in a high cost of living area for people with disabilities, who often have fewer resources to be able to afford housing.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark DeSaulnier
Member of Congress
